Value Everywhere.

## Is It Important To Have Medical Insurance?

Perhaps the better question is whether you are prepared to travel without it.

While international travel is often interesting, fun, and exciting, it is important not to ignore the real risks we face, even though we do not like to think about them happening. Imagine it is 3 a.m. back home and you are severely injured in a fall, will anyone pick up the phone at your local insurance company? If they do answer, can they or will they have the ability to assist you with your emergency?

Many health insurance plans have restrictions for time spent out of home country or geographic areas that lack coverage. Be confident when you arrive in another country that you will enjoy the security of the finest travel medical insurance protection available in the market today. Azimuth Risk Solutions provides the essential coverage and service to respond quickly, compassionately, and professionally to the emergency mentioned above and hundreds of other travel emergencies. ***Coverage Anywhere. While the Evidence of Insurance is in effect, the Participating Member shall undertake to promptly notify the Scheme Administrator of any change in such addresses subsequent to the Effective Date of Coverage. Eligible and covered claims that have not yet been paid by or on behalf of the Participating Member at the

time of adjudication will be paid by check to the Participating Member at his/her last known place of residence or mail-forwarding address, or at the sole option and discretion of the Scheme Administrator, and as an accommodation to the Participating Member, directly to the provider(s). All claim settlements are subject to the applicable Deductible and Coinsurance, and to the benefit limits and Sub-Limits and all other Terms of this insurance. No provider or other third-party shall have any direct or indirect claim or right of action against the Scheme Administrator under the Master Policy or any Evidence(s) of Insurance issued by the Master Policy, whether by purported assignment of benefits, subrogation of interests or otherwise, unless first expressly agreed and consented to in writing by the Scheme Administrator, and notwithstanding the Scheme Administrator's exercise or failure to exercise any option or discretion under this section regarding the method of claim payment. No provider or other third-party is intended to have or shall have any rights as a third-party Beneficiary under the Master Policy or Evidence of Insurance issued by the Master Policy.

- 7.3 Appealing a Claim** — In the event the Scheme Administrator denies all or part of a claim, the Participating Member shall have ninety (90) days from the date that the Notice of Denial was mailed or mailed to the Participating Member's last known place of residence or mail-forwarding address to file a written appeal with the Scheme Administrator. Upon receipt of a written appeal, the Scheme Administrator will respond in writing as soon as reasonably practicable and in any event within ninety (90) days from receipt thereof.
- 7.4 Fraudulent Claims** — If any claim or request for benefits under this insurance shall be in any respect fraudulent or deceitful, or if the Participating Member or anyone acting for or on their behalf under this insurance uses any fraudulent or deceitful means or devices, all benefits and claims under this insurance shall be forfeited and waived, and the Scheme Administrator, Underwriters and/or Master Policyholder shall have no liability for such benefits or claims.
- 7.5 Arbitration** — No claim for benefits for which liability, eligibility or coverage under this insurance has been denied in whole or in part by the Scheme Administrator, nor any other dispute or controversy arising under or related to this insurance, shall be arbitral or subject to arbitration under any circumstances or for any reason.
- 7.6 Patient Advocacy** — Neither the Underwriters nor the Scheme Administrator shall have any right, obligation or authority of any kind to ultimately select Physicians, Hospitals, or other healthcare or health service providers for the Participating Member or to make any medical treatment decisions for or on behalf of the Participating Member, and all such decisions shall be made solely and exclusively by the Participating Member and/or his/her guardians, family members and treating Physicians and other healthcare providers. Subject to the foregoing, the Scheme Administrator may determine that a particular claim, benefit, treatment, or diagnosis occurring under or relating to this insurance may be placed under the Scheme Administrator's Patient Advocacy program to ensure that Medically Necessary Treatment and supplies are provided in the most cost-effective manner. In the event the Scheme Administrator determines that a claim, benefit, treatment, or diagnosis meets the Scheme Administrator's Patient Advocacy program guidelines, the Scheme Administrator will notify the Participating Member as soon as reasonably practicable, and a Patient Advocate will be assigned to the Participating Member. Thereafter, the Patient Advocate may make recommendations of treatment settings and/or procedures and/or supplies that may be

more cost-effective for the Scheme Administrator and/or the Participating Member. Such recommendations will be made with input from the Participating Member and/or the Participating Member's guardians, family members and treating Physicians and other healthcare providers, and will be made only when it can be reasonably demonstrated that the Medically Necessary Treatment and/or supplies can be provided in a more cost-effective manner to the Scheme Administrator and/or the Participating Member. The Scheme Administrator will use its best efforts to evaluate and recommend treatment settings and/or procedures and/or supplies that can reasonably be expected to result in the same or better care of the Participating Member. The Participating Member is under no obligation to accept or follow any of the Scheme Administrator's recommendations. However, if the Participating Member accepts and follows any of the Scheme Administrator's recommendations, the Participating Member agrees to hold the Scheme Administrator harmless from same, and the Scheme Administrator shall not be held liable or otherwise responsible for any treatment or supply provided to the Participating Member except for the payment of claims and benefits eligible for coverage under the Terms of this insurance. After the Participating Member has been notified that the claim, treatment, benefit or diagnosis meets the Scheme Administrator's Patient Advocacy program guidelines, the Scheme Administrator reserves the right, at its option and in its sole discretion without liability, to:

**7.6.1** Make payment for treatment and/or supplies that, although not expressly covered under this insurance, may be beneficial to the Participating Member and cost-effective to the Scheme Administrator; and/or

**7.6.2** Deny coverage and/or benefits for any charges that exceed the amount the Scheme Administrator would have covered had the Participating Member accepted and followed the recommendations of the Patient Advocacy program.

**8** **ASSIGNMENT, CHANGE OR WAIVER** — Notwithstanding any law, statute, judicial decision or rule to the contrary, which may be or may purport to be otherwise applicable within the jurisdiction, locale or forum state of any healthcare provider, no transfer or assignment of any of the Participating Member's rights, benefits or interests under this insurance shall be valid, binding on or enforceable against the Scheme Administrator unless first expressly agreed and consented to in writing by the Scheme Administrator. Any such purported transfer or assignment not in compliance with the foregoing Terms shall be void and without effect as against the Scheme Administrator, and the Scheme Administrator shall have no liability of any kind under this insurance to any such purported transferee or assignee with respect thereto. The Terms of the Master Policy, as evidenced by the Evidence(s) of Insurance issued by the Master Policy, shall not be waived, or changed except by the express written agreement of the Scheme Administrator.

**9** **SERVICE OF SUIT** — It is agreed that in the event of the failure of Underwriters to pay any amount claimed to be due hereunder, Underwriters, at the request of the Participating Organization or Participating Member, will submit to the jurisdiction of a court of competent jurisdiction within the United States. Nothing in this clause constitutes a waiver of underwriters' rights to commence an action in any court of competent jurisdiction in the United States, to remove an action to a United States District Court, or to seek a transfer of a case to another court as permitted by the laws of the United States or any state in the United States. In any suit instituted against Underwriters hereunder, Underwriters will abide by the final decision of such court, or of any Appellate Court in the event of an appeal. Further, pursuant to any statute of any state, territory or district of the United States that makes provision therefor, the Scheme Administrator hereby designates the Superintendent, Commissioner or Director of Insurance or other officer specified for that purpose in the statute, or his/her successor or successors in office, as its true and lawful attorney upon

whom may be served any lawful process in any action, suit or proceeding instituted by or on behalf of the Master Policyholder, Participating Organization or any Participating Member arising hereunder, and hereby reserves the right to designate an attorney of the Scheme Administrator's choice in conjunction with Underwriters, as its attorney-in-fact and agent for service of process to whom said officer or Commissioner is authorized to mail or serve such process or a true copy thereof.

- 10 INSOLVENCY** — The insolvency, bankruptcy, financial impairment, receivership and voluntary plan of arrangement with creditors or dissolution of the Master Policyholder or any Participating Member shall not impose upon the Scheme Administrator any liability or obligation other than that specifically included in this insurance.
- 11 SUBROGATION CLAUSE** — The Participating Member undertakes to pursue in his/her own name and stead, and to fully cooperate with the Scheme Administrator and/or Underwriters in the prosecution of any and all valid claims that he/she may have against any third party who may be liable arising out of any act, omission or occurrence that results or may result in a loss of payment or coverage of claim by the Scheme Administrator and/or Underwriters under this insurance, and to account to the Scheme Administrator and/or Underwriters for any amounts recovered in connection therewith, on the basis that the Scheme Administrator and/or Underwriters shall be reimbursed and entitled to recover first in full for any sums paid by it before the Participating Member shares in any amount so recovered. Should the Participating Member fail to so cooperate, account or prosecute any valid claims against any such third party or parties, and the Scheme Administrator and/or Underwriters thereupon or otherwise become liable to make payment under the Terms of this insurance, then the Scheme Administrator and/or Underwriters shall be fully subrogated to all rights and interests of the Participating Member with respect thereto and may prosecute such claims in its own name as subrogee. The Participating Member's submission of Proof of a Claim, acceptance of coverage or benefits under this insurance shall be deemed to constitute an assignment of such subrogation rights by the Participating Member to the Scheme Administrator and/or Underwriters. Any amount recovered by the Scheme Administrator and/or Underwriters shall first be used to pay the costs and expenses of collection incurred by the Scheme Administrator and/or Underwriters, which would include reasonable attorneys' fees, and for reimbursement to the Scheme Administrator and/or Underwriters for any amount that it may have paid or became liable to pay under this insurance. Any remaining amounts recovered shall be paid to the Participating Member or other persons lawfully entitled thereto, as applicable.
- 12 MISREPRESENTATION** — Any misstatement, omission, concealment or fraud, either in the Participating Member's Application which forms a part of the Master Policy or Evidence of Insurance issued by the Master Policy, or in relation to any statement, certification or warranty made by the Participating Member or their representatives, agents or proxies, whether in writing or otherwise, to the Scheme Administrator or their respective agents, employees or representatives, or in connection with the making of any claim under this insurance, shall render the Evidence of Insurance null and void and all claims and benefits under this insurance shall be forfeited and waived.
- 13 RIGHT OF RECOVERY** — In the event of overpayment by the Scheme Administrator of any claim for benefits under this insurance, for any reason, which would include without limitation because:
- 13.1** All or part of the claim was not incurred by or paid by or on behalf of the Participating Member;  
or

- 13.2** The Participating Member or any member of the Participating Member's Family, whether or not the family member was a Participating Member under this insurance plan, is repaid, is entitled to be repaid for all or part of the claim by Other Coverage, or from a source other than the Scheme Administrator; or
- 13.3** All or part of the claim was not eligible for payment or coverage under the Terms of this insurance; or
- 13.4** All or part of the claim was paid or reimbursed based on an incorrect or mistaken application of benefits under this insurance; or
- 13.5** All or part of the claim has been excused, waived, abandoned, forfeited, discounted or released by the provider; or
- 13.6** The Participating Member is not liable or responsible as a matter of law for all or part of a claim. The Scheme Administrator shall have the right to a refund and to recover the amount of overpayment from the Participating Member and/or the Hospital, Physician, or other provider of services or supplies. For overpayment of claims as specified under **Sections 13.1** through **13.6** above, the amount of the refund and recovery shall be the difference between: (i) the amount actually paid by the Scheme Administrator, and (ii) the amount, if any, that should have been paid by the Scheme Administrator under the Terms of this insurance. For all other overpayments, the amount of the refund and recovery shall be the amount overpaid. If the Participating Member or the Hospital, Physician or other provider of services or supplies does not promptly make any such refund to the Scheme Administrator, the Scheme Administrator may, in addition to any other rights or remedies available to it (all of which are reserved): (i) reduce or deduct from the amount of any future claim that is otherwise eligible for coverage or payment under this insurance, to the full extent of the refund due to the Scheme Administrator; and/or (ii) cancel any Evidence(s) of Insurance and all further coverage of the Participating Member under the Master Policy by giving thirty (30) days advance written notice by mail to the Participating Member's last known residence or mailing address, and offset against the amount of any refund of Premium due the Participating Member to the full extent of the refund due to the Scheme Administrator.
- 14** **OTHER INSURANCE** — The Scheme Administrator shall not be obligated to provide any benefits or to pay any claim under this insurance if there is any Other Insurance, membership benefit, government program, reimbursement or indemnification coverage, right of contribution, recoupment or recovery, contract, or other third-party obligation or provision of benefits ("Other Coverage") that would, or that would but for the existence of this insurance, be available or obligated to provide such benefit or to pay such claim, except in respect of any excess beyond the amount payable or provided under such Other Coverage had this insurance not been effected. The Scheme Administrator shall not be obligated to provide any benefit or to pay any claim in respect to treatment or supplies furnished by any program or agency funded by any government.
